Subject: Victim Impact Statement - Mathew Martoma Insider Trading Case

Dear Judge Gardephe

We are victims of Mr. Martoma, as a result of his activities we lost a major part of our retirement savings. We are 75 and 78 years old. In addition to other problems we have experienced, we now are having to move and rent out our home that we built 38 years ago and move in with our daughter and son-in-law. We are both extremely depressed by this turn of events. It doesn't seem right that people who have worked hard all of their lives should have such misfortune while dishonest stock manipulators live luxurious lives.

We would earnestly request that you consider requiring restitution for the victims of Mr. Martomas activities. It would be extremely helpful to us.

Our loss information is attached below – for any questions – Phone [REDACTED] Email [REDACTED]

Sincerely Yours,

William and Marlys Powell
